The DOC Special Investigations Unit (SIU) has completed the investigation of case #HL-2022-380 at Marion Correctional Treatment Center from the Office of the State Inspector General.

Allegation: The complainant alleges that a Correctional Officer physically assaults inmates in the shower on Wing 1B, and also in the back stairwell between Wing 1B and Wing 2B. There are no cameras in those locations.

Scope: The SIU Special Agent interviewed the Corrections Officer.

Finding: The SIU Special Agent interviewed the Corrections Officer on February 17, 2022. The Corrections Officer denied the allegation stated in the anonymous complaint. No victims, witnesses, incident dates, or evidence was identified in the complaint. SIU's investigation found no evidence the Corrections Officer assaulted any inmates at the Marion Correctional Treatment Center.

Conclusion: Unsubstantiated
